

FOAM BEAD GOLD

Triple Foam Wax

DESCRIPTION

Think drying agent meets triple foam and you are on the right track. This triple foam is truly a must have if rinsing and drying are a problem. It generates nice foam while not compromising on dye and fragrance. The best part is how well it rinses and begins the drying process. Which as we all know has become so important in such a competitive market. There is a reason this product has been around for 20+ years and still going.

USAGE INSTRUCTIONS

Apply using a foam generation applicator (foam stick, shower head, pod, foam curtain, etc.). Begin by applying it at 400-500:1. This product is viscous and thus may require larger metering tips/settings to pull at the proper rate. This series of products are ideally diluted with soft water, but it will still work well with harder water. Use in friction, touch free and self-serve applications.

FEATURES

- Enhances drying
- Bold foam color and intense fragrance
- Foam collapses and rinses easily
- Ideal for use in all applications

SIZES AVAILABLE

Twin Packs	Code: 10-70105-888
