

ROAD RAGE

Tire Cleaner

DESCRIPTION

This heavy duty alkaline detergent is designed to clean both wheels and tires. This product removes the toughest road soils and aides in the release of brake dust from wheels. This specialized formula is ideal for self-serve applications with its fluorescent yellow foam and mint fragrance. Simply apply to dirty tires and wheels and watch the dirt run!

USAGE INSTRUCTIONS

This product is strong and needs to be applied with care. This formula is typically used in self-serve applications due to its yellow foam and mint fragrance. It can be applied through a wand or scrub brush application. Begin application at 48-60:1 (8-12 drops) for wand application under low pressure. For scrub brush application begin dilution at 60-100:1 (6-10 drops). Adjust air as necessary to create proper foam profile. Using soft water will promote ideal cleaning capabilities.

FEATURES

- Brightens white walls and raised letters
- Removes brake dust deposits
- Biodegradable
- Foams well
